

## Some Voodoo

Richie Kotzen

I've been to the preacher I've been to the church  
I gave my confession but I still feel the hurt  
I've got to testify for what this woman's done to me

Some Voodoo got me so into you  
I'm on pins and needles can you fel it too  
Got the jones and I don't know what to do  
So into you

I went to the doctor to try and find a cure  
She looked into my soul said it's already been sold  
And had me runnin' straight for the door  
I've come to realize what this woman's done to me

Some Voodoo got me so into you  
I'm on pins and needles can you fel it too  
Got the jones and I don't know what to do  
So into you

I've been tryin to fight it afraid I could learn to like  
it  
I've been prayin' to heaven and runnin' from hell

Some Voodoo got me so into you  
I'm on pins and needles can you fel it too  
Got the jones and I don't know what to do  
So into you
