

Stand

Richie Kotzen

When you carry the cross
Do you know it's true
Your direction is gone
Who do you run to
In your wild race
When you win you loose
It's hard to shelter your baby blues

When it's said and done
You come out on top
Neither hit and run
Where does it stop
In your wild race
You come to find
The time has come now to draw the line

You know you've got to
Stand, stand, stand for what you believe
You know you've got to
Stand, stand, stand for what you believe
Ohh, you got to... Stand for what you believe

Express yourself in the face of change
Repress yourself, you surely seal your fate
You got to look inside, the answer lies in wait
Resurrect before it's too late

You know you've got to
Stand, stand, stand for what you believe
You know you've got to
Stand, stand, stand for what you believe
Ohh, you got to... Stand for what you believe

Somebody rescue me, come down and rescue me
I know the soul of a good man has got to be free
When you stand, stand for what you believe

When you carry the cross
Do you know it's true
Your direction is lose
Who do you run to
In your wild race
When you win you loose
It's hard to shelter your baby blues

When it's said and done
You come out on top
Neither hit and run
Where does it stop
In your wild race
You come to find
The time has come now to draw the line

You know you've got to
Stand, stand, stand for what you believe
You know you've got to
Stand, stand, stand for what you believe

Ohh, you got to... Stand for what you believe
