

This Is Life

Richie Kotzen

Oh It's A Mystery
Why We Are Here
I Don't Understand It
I Don't
We're In A Circus
Without Any Rhyme or Reason
I Don't Know Why
But I Ask Myself
What Is It All For?
This Is Life This Is Life This Something That We Are Leaving
Life This Is Life This Is Life
Life Is Playing Games With Me
And You
And All Of Us
Try To Hold My Hand Baby
Before The Moment Slips Away
You Know It Feels Like It's Us Against Time
And So I Ask Myself What Is It All For
This Is Life This Is Life This Something That We Are Leaving
Life This Is Life This Is Life
Life Is Playing Games With Me
And You
And I, I Know I Can't Change It
I Got Nothing Left To Fucking Lose
So You Know I'm Gonna Weed All This Shit Outta My Mind
I Gotta Weed All This Shit Outta My Mind Yea
I'll Weed All This Shit Outta My Mind
I Gotta Weed All This Shit Outta My Mind
And Hope For Everything Yea
You Know I'm Gonna Hope For Everything To Be All Right
I Know I Gotta Hope For Everything Yea
I Gotta Hope I'll Hope For Everything To Be All Right
