

## Walk With Me

Richie Kotzen

I'm not your maker, you're living dangerous  
You wanna push your independence to the light  
Where is our innocence? We're rhythmless  
We've started out of time  
I'm feeling dangerous, I'm afraid of us  
I know we've crossed the line  
If you could walk with me, different tonight  
If you could walk with me, there's not wrong or right  
Where is our innocence? We're rhythmless  
And live your part tonight  
If you could walk with me, till we're out of sight  
I feel unstable, I'm having crazy thoughts  
I wanna test my limitations all the time

And how did it come to this?  
Our socialness taken over life  
I'm feeling dangerous, I remember us  
Back when you were mine

If you could walk with me, different tonight  
If you could walk with me, there's not wrong or right  
Where is our innocence? We're rhythmless  
And live your part tonight  
If you could walk with me, till the end of time  
Walk with me till the end of time  
Where is our innocence? We're rhythmless  
And live your part tonight  
Aw, baby, walk with me till the end of time
