

# Wheels Can Fly

Richie Kotzen

Headed for the race tonight  
It's gonna be a live one  
If you're ready for trouble  
I'm glad that you have come

When the wheels start flyin'  
Caught in the game  
Let it drive you insane!

A fear is believin' the life I'm decievin', a fool in chase  
Your wheels are runnin' but my wheels can fly!

Going for it all  
And you can turn back now  
Well, you're under the gun  
With love on the run

When the wheels start flyin'  
Caught in the game  
Let it drive you insane!

A fear is believin' the life I'm decievin', a fool in chase  
Your wheels are runnin' but my wheels can fly!

Flowin' from the race tonight  
Sure it was a hot one  
Well, I can do it again  
With my hands not shakin'!

When the wheels start flyin'  
Caught in the game  
Let it drive you insane!

A fear is believin' the life I'm decievin', a fool in chase  
Your wheels are runnin' but my wheels can fly!  
A fear is believin' the life I'm decievin', a fool in chase  
Your wheels are runnin' but my wheels can fly!

My wheels can, my wheels can fly!
