

You Got Me

Richie Kotzen

Last night I don't remember, I don't know where I was
But somebody told me that I fell in love
Yeah, I don't know why I surrendered, I must have been using drugs
I don't know, I don't know, I don't know, I don't know,
I don't know what I'm gonna do

You got me wrapped right 'round your finger
You got me sumthin' alcohol
Oh, you got me, I don't know what I'm doin'
I'm givin' up on resisting now, I guess I'm gonna die to do it,
oh

I survived, I feel like heaven, I don't know what you do
Soaring ties, I'm wearing chains, I guess I'm a slave to you
at one time I was slow in bait shift, and now I can't get away
I don't know, I don't know, I don't know, I don't know,
I don't know what I'm gonna do

You got me wrapped right 'round your finger
You got me sumthin' alcohol
You got me, I don't know what I'm doin'
I'm givin' up on resisting now, I guess I'm gonna die to do it

You got me wrapped right 'round your finger
You got me sumthin' alcohol
You got me, I don't know what I'm doin'
I'm givin' up on resisting now, I guess I'm gonna die to do it
