

# You've Got a Fire

Richie Kotzen

It could be simple baby, only time knows the way  
I don't know how long I'll wait for you or  
how much I'll take  
But you gotta believe in something if it's gonna be  
If your gonna believe in somethin' then  
believe in me

Girl stop draggin' this heart of mine,  
you got a fire I need  
I don't wanna wait until we run out of time,  
while you let my heart bleed

I don't know why it's this way, it ain't  
mean to be love  
But ain't that what we're waitin' for, I feel  
it comin' my way  
Now you gotta believe in something, if it's gonna be  
If you're gonna believe in somethin',  
baby believe in me

Girl stop draggin' this heart of mine,  
you got a fire I need  
I don't wanna wait until we run out of time,  
while you let my heart bleed

There are times I wanna leave, other times  
you're all that I see  
Still in my heart I know that the song's for you  
And if you wonder baby I'll be there, I'll be there for  
you anytime

Girl stop draggin' this heart of mine,  
you got a fire I need  
I don't wanna wait until we run out of time,  
while you let my heart bleed
