

Your Entertainer

Richie Kotzen

Alright, I could be mistaken
Tell me what you really wanna do, ooh
I know I, I'm not hesitating
No, I know if I'm gonna want, I'm wantin' you

I, I hear you laughin'
I ain't never saw you worried or confused
Oh I, I wanna put your mind at ease
Don't you worry 'bout a thing, I'm here to please
(Yeah)

I'm your entertainer, I just want to play for you
I'm your entertainer
I'm your entertainer

Love, can you feel it?
Does it make you happy, does it make your style?
What? What a disaster?
I'm not a prophet, but I know what you desire

I'm your entertainer, I just want to play for you
I'm your entertainer
I'm your entertainer

I'm your entertainer, I just want to play for you
I'm your entertainer
I'm your entertainer
