## My Arms Keep Missing You

## **Rick Astley**

You know I've been so lonely, every night Since you went away Would you let me down, any night Is that the way you're made girl

I keep telling myself it's all right Even though I cry There's no question why How could I be happy when

My arms keep missing you Who's been kissing you Since you went away My arms keep missing you I keep wishing you'd Come back today

You said you wouldn't hurt me anyway And I believe in you We said we trust each other every day We'd never be untrue

But I keep thinking you're telling lies Even though I try There's no question why How can I be happy when

My arms keep missing you Who's been kissing you Since you went away My arms keep missing you I keep wishing you'd Come back today

You know I've been so lonely, every night Since you went away Would you let me down, any night Is that the way you're made girl

I keep telling myself it's all right Even though I cry There's no question why How could I be happy when

My arms keep missing you Who's been kissing you Since you went away My arms keep missing you I keep wishing you'd Come back today (2x)
