

# Unity

Rick James

Unity  
Brother, sister, there's got to be  
Unity, yeah  
Unity  
Unity's what's missing in our lives  
Can't you see?  
We need love  
A little word of confidence every night and day  
A little honesty and trust among us  
A little love and harmony, and there'll surely be  
Some unity
