Every dollar that I count can't grow in my account
My account can't count up all my money in an hour
Cause it's comin too fast and I'm scared it won't last
Look that white girl in her face told her this was her last dance
GOD DAMN speed got my heart racin
See I don't have the nominations you can blame it on my occupation
Ceasar salad, Caesars Palace
You not a boss little nigga cause your cheese is average
In the Benz ak ridin shotgun

Wishing that was me that was on the Grammys
All I needed was someone to get behind me money rain on me
