## I Can't Stop Hurting You

**Rick Springfield** 

She looked at me with eyes that cut right through me and said "You must be blind let me tell you a little something about yourself You're the hurtin' kind" I must admit after the pain and fight I've a sneaking suspicion that you might be right

I love you, I love you, I love you But I Can't Stop Hurting You I want to, I want to I Can't Stop Hurting You I can't, I can't I Can't Stop Hurting You, it's getting bad I don't know what to do

I see you packing up all your precious little things That mean so much to you I hurt you now you're moving out again But we know just what you'll do We'll see the error of our ways in crime With conciliatory promises we'll change this time

I love you, I love you, I love you But I Can't Stop Hurting You I want to, I want to I Can't Stop Hurting You I can't, I can't I Can't Stop Hurting You, it's getting bad I don't know what to do

I love you, I love you I Can't Stop Hurting You I need to, I need to I Can't Stop Hurting You I can't, I can't I Can't Stop Hurting You It's getting bad, I don't know what to do

And when you go I miss you all night The wounds heal from the scratch and bite I don't know what's wrong I don't know what's right But I Can't Stop Hurting You I Can't Stop Hurting You

We talk so coolly about the pros and cons When I get hot headed I just can't hold on

I love you, I love you, I love you I can't stop hurting you I need to, I need to I can't stop hurting you I can't, I can't I can't stop hurting you It's getting bad, I don't know what to do
