

# All We Need Is Love

Ricki-Lee

All we need is love  
All we need is love  
Wanna shout it from the rooftops,  
All we need is love!

I feel the love under the stars, on the rooftop tonight  
Here we come together as one, can act by a beating heart  
All around the world,  
I'm coming now to you  
A revolution of love,  
Here we go, go, goooo!

All we need is love  
All we need is love  
Wanna shout it from the rooftops,  
All we need is love!

Follow the lights all of the way,  
On the freeway of love  
We got it all if we got each other  
And everything will be alright!  
All around the world,  
I'm coming now to you  
A revolution of love  
Here we go, go, gooo

All we need is love  
All we need is love  
Wanna shout it from the rooftops  
All we need is love!  
We're on a one way ticket to paradise  
I'll kick it out the doors, and come alive  
All we need is love  
All we need is love!

From the ground up, let's start a revolution of love!
