Ricki-Lee

Tell Him That I Miss Him, Tell Him That I Love Him  
Tell Him That He's Special, If You See My Baby  
Tell Him That I Love Him

I Remember The First Time That I Saw Your Face  
Looked To My Left, You Caught My Eye  
I Looked Away, Yeah, And I Don't Know How Or Why I Felt So Shy  
You Were With Your Boys, I Was With My Crew, Walked On By  
Went To Leave, I Barely Walked Out The Door  
Then You Turned Around And Then You, Caught My Eye Once More  
Stole My Air And Baby, I Could Hardly Breathe  
Stepped To Me With A Crazy Pick Up Line About Pretty Feet

So Far Apart And Time Is Passing  
I Don't Know What's Gonna Happen  
Kinda Tall, Around Six Foot Four, If You See Him

Tell Him That I Miss Him, Tell Him That I Love Him  
Tell Him That He's Special, If You See My Baby  
Tell Him That I Love Him  
Tell Him That I Miss Him, Tell Him That I Love Him  
Tell Him That He's Special, If You See My Baby  
Tell Him That I Love Him

I Hated The Day You Went Away  
Wanted To Run After You Onto That Plane  
And Now We're Talking On The Phone  
It's Just Not Enough I Can't See Or Touch, I Feel So Alone

So Far Apart And Time Is Passing  
I Don't Know What's Gonna Happen  
Kinda Tall, Around Six Foot Four, If You See Him

Tell Him That I Miss Him, Tell Him That I Love Him  
Tell Him That He's Special, If You See My Baby  
Tell Him That I Love Him  
Tell Him That I Miss Him, Tell Him That I Love Him  
Tell Him That He's Special, If You See My Baby  
Tell Him That I Love Him

I Like The Way, I Like The Way, He Does The Things He Does To Me  
If You See My Baby, Tell Him That I Miss Him  
I Need Him To Know, He's The Man For Me

Tell Him That I Miss Him, Tell Him That I Love Him  
Tell Him That He's Special, If You See My Baby  
Tell Him That I Love Him  
Tell Him That I Miss Him, Tell Him That I Love Him  
Tell Him That He's Special, If You See My Baby  
Tell Him That I Love Him
