

## Turn It Up

Ricki-Lee

I don't know, what you're waiting for  
and I don't know, what you're working towards  
'Coz you're on Monday to Friday  
and all I know, is you've gotta let it go

You've been working 9-5 every day of the week  
ease you mind, press unwind and set your body free  
I don't care where we go just wanna get what I need

Get it up now, burn it up now, turn it up now  
Get it up now, burn it up now, turn it up now  
Get it up now, burn it up now, turn it up now  
Get it up now, burn it up now, now get up baby dance with me!

I don't care where we gotta go  
'coz it's the end of the week, I got my girls in tow  
'coz we're out to hit the freeway  
relax your mind, be easy

You've been working 9-5 every day of the week  
ease your mind, press unwind and set your body free

Get it up now, burn it up now, turn it up now  
Get it up now, burn it up now, turn it up now  
Get it up now, burn it up now, turn it up now  
Get it up now, burn it up now, now get up baby dance with me!

I don't know 'bout you but I am ready for the night to fall  
'coz all the girls be in the mood to  
paint the town in true girl style  
Been working non-stop since Monday morn'  
I'm geared up to get my party on  
let go of the week, the night is young  
get funky baby dance with me!  
Get it up now, burn it up now, turn it up now  
Get it up now, burn it up now, turn it up now  
Get it up now, burn it up now, turn it up now  
Get it up now, burn it up now, now get up baby dance with me!
