

# His Jeweled Floor

Rickie Lee Jones

And when you arrive  
shining and new  
Forgotten by the fear and pain  
you put your body through

On His Jeweled Floor  
We are every one  
Laying in His starry arms,  
On His Jeweled Floor we are standing now  
See me as I am...

You'll come in the afternoon  
of a hard travelin' day  
Blown by a stormy sky  
that finally passes away

On His Jeweled Floor  
We will meet again  
He holds us all in His starry arms  
On His Jeweled Floor I am standing now  
Can you see me as I am?

There are no demons, only angels  
Life will surely fade  
Spend it loving tenderly  
Or Shiva at your grave,  
Sit shiva at your grave,

On His Jeweled Floor  
we will all be there  
He holds us all in His starry arms  
On His Jeweled Floor no one ever falls  
Can you see me as I am,  
as we dance a thousand suns?
