

# Ugly Man

Rickie Lee Jones

He's an ugly man  
He always was an ugly man  
He grew up to be like his father  
An ugly man

And he'll tell you lies  
He'll look at you and tell you lies  
He grew up to be like his father  
Ugly inside

Hey - ugly man  
What's the plan?  
If people knew  
What would they do  
To the ugly man?  
Having fun?  
But will we be here  
When you're done  
With me.....?

Revolution  
Now it's finally going to come  
Everywhere that you're not looking  
Revolution

And we'll take it back  
Now we take the country back  
Everywhere that you're not looking  
Ugly man  
Ugly man
