

Home Sweet Home

Ricky Dillon

I can't walk this road alone
The longest road that I will ever know
Looking out into the stars and moon
Wishing now that I'll be coming home to you

The sun is falling, I'm calling out for your name
Yeah, it's falling, I'm calling out
Now I'm running, I'm running, I'm on my way
Yeah, I'm running, I'm running now

Walking down this road of yours
It might be the world that I adore
Looking out into the stars and moon
Now I know that I'll be coming home to you

The sun is falling, I'm calling out for your name
Yeah, it's falling, I'm calling out
Now I'm running, I'm running, I'm on my way
Yeah, I'm running, I'm running now

Home, home
Home sweet home
Home, home
Home sweet home
Home, home
Home sweet home
Home, home
Home sweet home

I see it now, it's all so close and near
Drop my bags, the wait is gone, I'm here
