

# Don'T Look At Me

Ricky Nelson

I didn't do nothin', what are ya talkin' about  
I don't care who said so, but since you spitted it out  
I never touched her, that's a dirty lie  
You don't smell no perfume, I wouldn't even try

Don't look at me with those sad eyes  
Don't look at me  
Don't look at me with those sad eyes  
There's nothin' to see

She don't do nothin' for me, she never has  
Think about the future, forget about the past  
Livin' ain't so easy, and nothin's ever free  
You got the whole world to fight with, you shouldn't fight with  
me

Don't look at me with those sad eyes  
Don't look at me  
Don't look at me with those sad eyes  
There's nothin' to see

Believe me, baby please  
Jealousy is a disease

Don't look at me with those sad eyes  
Don't look at me  
Don't look at me with those sad eyes  
There's nothin' to see

Believe me, baby please  
Jealousy is a disease

Don't look at me  
Don't look at me  
Don't look at me...
