## If That's The Way You Feel

**Ricky Skaggs** 

I don't blame you for I know you want him That your love for me was never real I could hold you but you'd be unhappy But it's all right if that's the way you feel

I know that I will always go on caring And my feelings, now, I must conceal I still need you and I want you with me But it's all right if that's the way you feel

I always knew someday I would lose you When those lies about me were revealed It's plain to see, sweetheart, you believe them But it's all right if that's the way you feel

I know that I will always go on caring And my feelings, now, I must conceal I still need you and I want you with me But it's all right if that's the way you feel

But it's all right if that's the way you feel
