She love me love me good
Love me love me good (Ah yeah)
She love me love me good
Love me love me good (Ah yeah)

She work it so good, makes me wonder where she learned it
You can't buy it but you gotta earn it
You can't try it unless you gon' keep it
Better keep that bitch a secret

Lingerie, lingerie, she got plenty lingerie
If you put her on a plane she gon' freak you out [?]
She got lipstick on a J masturbatin' in a hot tub
Pussy so good that once a week her ex'll pop up

Tryna blow our spot up, he like a grenade
But if I become her ex I'll prolly end up the same way
Don't wanna be stressin' you, don't wanna be stressin' you
'Cause I hate to see another nigga blessin' you

Damn shawty what's up in that box
If a nigga try to take it then he might get shot
If you try to take it from me I might lose my head
I can fuck a hundred women, I want you instead
I would steal for it, kill for it, rob for it
I would break the law
Won't make no excuses baby if you choose me
Promise I'll be yours, yeah
I swear that you're a
