

Just Another Day

Riddlin' Kids

Another day's gone by
And nothin' ever seems to change
And everything I love
I'm watchin' waste away
So what's the matter with me?
I just can't fake it
And I don't wanna believe
But this time I just can't take it

Just another day in my life
I don't wanna run out of time
I don't wanna wake up some day
And all my life is wasted away
Theres no much that I wanna be
So everybody listen to me
Theres no many things on my mind
Just another day in my life
Another day in my life

So what's the point in life
If you're not happy everyday
Well I could end it all and then they'd say
That's its so to believe
"I always thought he'd make it
and now we never will get to see
well I guess he couldn't take it"

So what's the matter with me?
I just can't fake it
And I don't wanna believe
But this time I just can't take it

Another day in my life
