

All day all morning, we are stressed
All day all morning, we are stressed
because we have to get up
The clock ticked seven
but it feels like heaven here in my bed
All day all morning, we do the same
because we have to get up
Feels like heaven
oh it feels like heaven here in my bed
But I have to get up, turn on the kettle,
turn on the TV screen, check on the weather
We gotta get up, we've got to get up

All day all morning, we do the same,
we just have to get up
I just had a dream about a great big adventure
that's in my head
All day all morning, we are stressed
because we have to get up
It's half past seven
but it feels like heaven here in my bed
But I have to get up,
turn on the computer screen
And pure in some coffee, listen to the news,
We gotta get up, there's a man on the loose

I'll send my message to you

There's a man on the loose

I'll send my message to you
I'll send my message to you...
