

Fill in the Blanks

Ringo Starr

Talkin' on the telephone
Nothin' to say
Empty conversation
Headin' my way

Pointin' the finger
Placin' the blame
Tired of bein' negative
Sick of the pain

Faded to action
Fill in the blanks
No more distraction
Thanks but no thanks
Fill in the blanks

Just an empty feelin'
Searchin' my soul
Change of disposition
Reachin' a goal

Need some direction
Which way to go
Make a connection
Just go with the flow

Faded to action
Fill in the blanks
Faded to action
Fill in the blanks

No more distractions
Thanks but no thanks
