Invasion

Rings Of Saturn

Desecrate this wasteland to a state unprecedented
I am the one to fuck it all I will end your life
I am the one to fuck it all this is the end
Pray now for the end to this disease
Fuck no, I will not stop, fuck no
this world is mine

Save yourself now before I take over
Save yourself, save yourself, save yourself now
Save yourself before I destroy you
Save yourself you are now the offering
Save yourself now before I take over this damned planet
You bring damnation upon your world
You bring damnation
You will be the one
Save yourself before I take over
You bring damnation upon your world
You will be the one to fuck it all
