Someone yells you suck

C **G** **A**
X: Suddenly that joe kicks hard in my veins
B **C**
I cool down
Em **D** **C**
Things sound good right now

Suddenly fists turn into brave ears, move as one
Em **D** **A**
Funny how no one knows we came
Em **D** **C**
They wouldn't come anyway

Should I feel grateful to play
Em **D** **C**
I'm living life my way

Em **G** **D** **A**

I let go of everything I had left at home
