

# Virgin Land

## Rise to Fall

All this time I've been patient enough, I've tried to behave myself  
Afflicted by your nonsense words, I turned a blind eye to this mess, but now  
I'm on the brink of blowing myself up. How can I stand the intolerance?  
The great intolerance that shapes the walls of your filthy reign

Escape to a virgin land with no windows to hate  
Is it the only way to avoid the pain?

I stepped through a million of wormholes to know the origins of the earth  
I reached the borders of the cosmos, met the demiurge itself, but yet  
can't understand the infinite frivolity of the human being  
the poor human being, egoistic and consciousnessless,  
incapable to see the essence, to value what is important, the fundamental

Escape to a virgin land with no windows to hate  
Is it the only way to avoid the pain?

Tempted to retaliate, sometimes it seems like it's the only way  
but an eye for an eye makes the whole world blind

Escape to a virgin land with no windows to hate  
Is it the only way to avoid the pain?  
submerge myself in curative waters  
the fountain that can restore my faith
