

# Hello, Hi, Goodbye

Rita Ora

Hello, hi, goodbye  
So I'm saying, hello, hi, goodbye  
Saying, hello, hi, goodbye  
Saying, hello, hi, goodbye  
Saying...

Imagine the future of you and me  
Seems good and then you leave  
The pain in this vision is killing me  
Reality is we will never be  
I'm prone to a love travesty  
And this feels like another tragedy  
And the truth really is we're too young to understand love domain  
Love express I'll take you out the fireflies  
And it should go and crash  
No replying from the ash  
We'll just be burning up after that  
I hate you, or, you hate me, or, I'll take you, or you'll break me, o  
r  
And now I'm scared, cause I've been there  
Stuck in this prison, No optimism

And now it's hello, hi, goodbye  
My heart has no room for love, so I'm saying, hello, hi goodbye  
My heart felt no gimme, saying, hello, hi goodbye  
In the other time, I'll be up, saying, hello, hi goodbye  
But that thing in me is gone

I know you wish somehow I could explain  
I'm still numb from the pain  
And I don't want to know your name  
Please get up and walk away  
I don't wanna fall in love again  
Don't want to start anything that could end  
I know you think you can get through to me  
But I'm in lock in loves penitentiary  
I already know how this goes  
Laid down, broken, heart broke  
I hate you, or, you hate me, or, I'll take you, or you'll break me, o  
r  
And now I'm scared, cause I've been there  
Stuck in this prison, No optimism

And now it's hello, hi, goodbye  
My heart has no room for love, so I'm saying, hello, hi goodbye  
My heart felt no gimme, saying, hello, hi goodbye  
In the other time, I'll be up, saying, hello, hi goodbye  
But that thing in me is gone
