

## All That I Want

Rival Sons

if i could make you love me  
i would not want you to  
it's you that i want  
and not what i want from you

if i could help you see me  
the way that i see you  
hope you like what you see  
and i hope that it pleases you

i dont care what it takes  
from me to give to you  
i'll do anything that you ask me to

you're all that i want  
you're all that i want

if you could feel my heartache  
each time you walk away  
you would never leave  
and i would never ask you to stay

if you could only hear me  
the way i hear your voice  
it would bring you to tears  
and i want you to have a choice

i dont care what it takes  
from me to give to you  
i'll do anything that you ask me to

you're all that i want  
you're all that i want

if i could make you love me  
i would not want you to  
it's you that i want  
and not what i want from you

if i could help you see  
the way that i see you  
hope you like what you see  
and i hope that i please you
