

# Constitution Down

Roadrunner United

Like an earthquake racing through the fault line  
Silent stalkers creep  
Ardor of a tangible delusion skewing what remains as real  
A sinister and unexpected raid infiltrates like a thief unheard  
Demarcation of coherence and delirium crumbles to the floor  
Comprehension awry

Vacillating powers of the spirit formally at war  
Dialectics failing by the minute  
Imps possess the child she bore

Fractured soul  
Constitution down  
Hope is gone  
Allocate the unsound  
Constitution down  
Allocate the unsound

The unknown is the cross to endure  
Still no assessments ensure  
Breakdown of chaos prevails  
What does tomorrow entail?

Fractured soul  
Constitution down  
Hope is gone  
Allocate the unsound  
Constitution down  
Allocate the unsound
