

## In The Fire

Roadrunner United

I see the moon outside  
With its evil grin  
Watching the priest tonight  
Accusing ME of sin

Oh, help me, "No, you're gonna die"  
Oh, help me, "No, just say goodbye"

In the fire, on blackened wings I fly  
In the fire, to Hell... and then I die...  
Oh it's still the same  
Can you tell me why?  
Witches then are Witches today

"Confess... Witch"

A thousand years of pain  
Between here and then  
Did we all die in vain?  
Oh it's just insane

Oh, help me, "No, you're gonna die"  
Oh, help me, "No, just say goodbye"

In the fire, on blackened wings I fly  
In the fire, to Hell... and then I die...  
Oh it's still the same  
Can you tell me why?  
Witches then are Witches today

"Die Witch... Now go to Hell"

In the fire, on blackened wings I fly  
In the fire, to Hell... and then I die...  
Oh it's still the same  
Can you tell me why?  
Witches then are Witches today
