

This Time Is The Last Time

Rob Rock

The answer is staring me right in the face
Been trying so hard but I've made my mistakes
I've been down this road before
And I've always wanted so much more

This time is the last time
I will give my heart away
This time is the last time
I will ever trust again

So hard to believe when you've been cut down and torn
I've waited so long just to walk through this door
Now my heart is in your hands
We must realize the sacred plan

This time is the last time
I will give my heart away
This time is the last time
I will ever trust again

This is the last time!

I feel you come closer and my heart lies next to me
I feel you come closer and my soul won't let me be

This Time Last Time

This time is the last time
I will give my heart away
This time is the last time
I will ever trust again

This time is the last time
I will give my heart away
This time is the last time
I will ever trust again
