

# Mockingbird

Rob Thomas

Here we stand  
Somewhere in between this moment and the end  
Will we bend  
Or will we open up and take this whole thing in

Everybody else is smiling  
Man, their smiles don't fade  
You don't even wonder why  
You just don't think that way

Maybe you and me got lost somewhere  
We can't move on and we can't stay here  
Maybe we've just had enough  
Well, maybe we ain't meant for this love

You and me tried everything  
But still that mockingbird won't sing  
Man this life seems hard enough  
Well, maybe we ain't meant for this love

Take my hand  
I will lead you through the broken promise land  
Yes I can, oh, yes I can  
I can be there when you need it  
I'll give it all 'til you can't feel it anymore

I don't wanna love you now  
If you'll just leave some day  
I don't wanna turn around  
If you'll just walk away
