

There'll Never Be Another You

Robben Ford

Oh, she knows how to hurt me
she knows how to please
Cool a man with good lovin'
then drag him to his knees

Oh, so why do I do it
Waste away my time
Wonderin' if I'm happy
or just losin' my mind

There'll never be another you
There'll never be another you
When love is broken there won't be two
There'll never be another you

Oh, your ways are so wicked baby
just out of control
The consequence of confusion
is afraid for my soul

Well you poison my coffee
or sweeten my tea
I'd rather live on nothin'
than uncertainty

There'll never be another you
There'll never be another you
When love is broken there won't be two
There'll never be another you
