

Walk In Beauty Way

Robbie Robertson

Yeah

Burn up in the sky
Then you know how I feel
Beauty all around me
Beauty where I need

When you walked across my mind
Leave 'em all behind
Don't I need him
Oh

Silent prayer with
Where my body sleep
Where I need him
Oh

I no longer where I started, no
I know what you called upon
But I still hunger for a touch, yeah
I think about her way too much

Oh, smoky nights on the ridge
I was layin' in your bed
I wanna whisper, wanna scream
I wanna crawl inside your dream

And there will be
It will be
Simply beautiful
Oh, oh
Hey, hey
In a beauty way
Oh, oh
In a beauty way
Hmm

It will be
Simply beautiful
This tears that I cry
In a beauty way

Oh, oh
In a beauty way
Way

Hmm
Oh, I'm comin' after you (Come)
All I wanna do
When I get there
Hmm

Wanna lay my head
Across your skin
When I get there
Then it will be

It will be
Simply beautiful
Oh, oh
Hey, hey
In a beauty way
Hmm
In a beauty way

It will be, it will be
Simply beautiful
These tears that I cry
In a beauty way
Hmm, oh
In a beauty way, yeah, yeah, yeah
Hmm

Walk in beauty way
Walk in beauty way
In the crowd
This tears and I
Walk in beauty way
Oh, oh
In the beauty way
Oh, oh
In the beauty way

Whoa oh
Oh, oh
Oh, oh
Oh

Ooh, oh
Oh, oh
Something beautiful
Walk in beauty way
