

# Let Love Be Your Energy

Robbie Williams

Out of a million seeds  
Only the strongest one breathes  
You made a miracle mother  
I'll make a man out of me

Daddy where's the sun gone from the sky?  
What did we do wrong, why did it die?  
And all the grown ups say 'sorry kids we got no reply'

If you're willing to change the world  
Let love be your energy  
I've got more than I need  
When your love shines down on me

Every tear that you cry  
Will be replaced when you die  
Why don't you love your brother?  
Are you out of your mind?

Daddy where's the sun gone from the sky  
What did we do wrong, why did it die  
And if you've got no love for me then I'll say goodbye

If you're willing to change the world  
Let love be your energy  
I've got more than I need  
When your love shines down on me

If you're willing to change the world  
Let love be your energy  
I can't contain how I feel  
When your love shines down on me  
Well if you want it come and make a stance  
So when it's in your hands  
People show me love

Well if you want it come and make a stance  
So when it's in your hands  
People show me love

If you're willing to change the world  
Let love be your energy  
I got more than I need  
When your love shines down on me

If you're willing to change the world  
Let love be your energy  
I can't contain how I feel  
When your love shines down on me
