

Nan's Song

Robbie Williams

D A7 G D A7 G

D A
You said when you'd die that you'd walk

Em
with me every day

D A Em
And I'd start to cry and say please don't talk that way

D A
With the blink of an eye the Lord came

Em
and asked you to leave

D A
You went to a better place but He stole you

Em
away from me

D A7 Em
And now she lives in heaven

D A Em
But I know they let her out

G
To take care of me

D
There's a strange kind of light

G D
Caressing me tonight

G D C
Pray silence my fear she is near

Asus4 A Asus2 A
Bringing heaven down here

I miss your love I miss your touch
But I'm feeling you every day
And I can almost hear you say
"You've come a long way baby"

And now you live in heaven
But I know they let you out
To take care of me

There's a strange kind of light
In my bedroom tonight
Pray silence my fear she is near
Bring your heaven down here

Hmi H7
You taught me kings and queens

G Hmi F#
While stroking my hair

Hmi H7 G F#sus4 F#7
In my darkest hour I know you are there

Hmi H7
Kneeling down beside me

G F#sus4 F#7
Whispering my prayer

Yes there's a strange kind of light
Caressing me tonight
Pray silence my fear
She is near
Bringing heaven down here
The next time that we meet
I will bow at her feet
And say wasn't life sweet
Then we'll prepare
To take heaven down there
