

# Let Me Know

Robert Cray

Hello  
Hello my friend  
How are you doing, baby today?  
It's been a long time  
But there's no peace of mind  
Since you've been away

I've been learning and searching  
All things through  
But my heart won't let me  
Get used to the blues

Crying, I keep on trying  
To get over losing you

If you knew what  
I've been through  
You would have never left me this way  
I try real hard to  
Do what I need to do  
And I'll let no one or nothing  
Get in my way

Please  
Tell me it's not so  
Tell me that I'm dreamin  
That you really didn't go  
Oh  
Let me know  
Let me know  
Oh, love  
Was it that bad?

If you knew  
What I've gone through  
You would have never left me this way  
I'm trying really hard to do  
What I need to do  
And I'll let no one or nothing  
Get in my way

Please, my darling, my darling  
If you're gonna go  
Show some consideration and please just let me know  
Let me know  
Let me know  
Oh love, was it that bad?  
Oh love, was it that bad?  
Oh love
