

Expectations

Robert Glasper

f*ck your expectations
f*ck your resignations
f*ck your validation
Same for entertainment
In these situations, trials and tribulations
It get's frustratin'

Wonder if I'll ever make it

f*ck your expectations
f*ck your resignations
f*ck your validation
The same for entertainment
In these situations, with stipulations
It get's frustratin'

I won't be intimidated

It's a bird, it's a plane, yeah I'm still ascending (fo' sho)

When the greatest call me the GOAT (rap)
Tell these niggas I don't mean to gloat
But you know I got for real

f*ck your expectations
f*ck your resignations
f*ck your validation

Same for entertainment
In these situations, trials and tribulations
It get's frustratin'
Trying to overtake it
