

Sunshine

Robert Glasper

Keith, you recording?
Alright I'm about to play some dope-ass shit

Serious sunshine
Serious sunshine
Sunshine
I got sunshine, sunshine
Stay with the sunshine
Stay with the sunshine
Stay with the sunshine

Over the rainbow, all mine
Sunshine, yeah
I've got sunshine dealin' with you
Perfect sunshine dealin' with you
Perfect sunshine, yeah
Your boy got sunshine, dealin' with you
Got that sunshine, no problems
