

# Baby, It's Cold Outside

Robert Palmer

I really can't stay - Baby it's cold outside  
I've got to go away - Baby it's cold outside  
This evening has been - Been hoping that you'd drop in  
So very nice - I'll hold your hands, they're just like ice  
My mother will start to worry - Beautiful, what's your hurry  
My father will be pacing the floor - Listen to the fireplace roar  
So really I'd better scurry - Beautiful, please don't hurry  
Well Maybe just a half a drink more - Put some music on while I pour

The neighbors might think - Baby, it's bad out there  
Say, what's in this drink - No cabs to be had out there  
I wish I knew how - Your eyes are like starlight now  
To break this spell - I'll take your hat, your hair looks swell  
I ought to say no, no, no, sir - Mind if I move a little closer  
At least I'm gonna say that I tried - What's the sense in hurting my pride  
I really can't stay - Baby don't hold out  
Ahh, but it's cold outside

C'mon baby

I simply must go - Baby, it's cold outside  
The answer is no - Ooh baby, it's cold outside  
This welcome has been - I'm lucky that you dropped in  
So nice and warm -- Look out the window at that storm  
My sister will be suspicious - Man, your lips look so delicious  
My brother will be there at the door - Waves upon a tropical shore  
My maiden aunt's mind is vicious - Gosh your lips look delicious  
Well maybe just a half a drink more - Never such a blizzard before

I've got to go home - Oh, baby, you'll freeze out there  
Say, lend me your comb - It's up to your knees out there  
You've really been grand - Your eyes are like starlight now  
But don't you see - How can you do this thing to me  
There's bound to be talk tomorrow - Making my life long sorrow  
At least there will be plenty implied - If you caught pneumonia and died  
I really can't stay - Get over that old out  
Ahh, but it's cold outside

Baby it's cold outside

Brr it's cold...  
It's cold out there  
Cant you stay awhile longer baby  
Well....I really shouldn't...alright

Make it worth your while baby  
Ahh, do that again...
