Every Kinda People

Robert Palmer

Said the fight to make ends meet Keeps a man upon his feet Holding down his job Trying to show he can't be bought

Ooh it takes every kinda people To make what life's about, yeah Every kinda people To make the world go 'round

Someone's looking for a lead In his duty to a King or to a creed Protecting what he feels is right Fights against wrong with his life

There's no profit in deceit Honest men know that Revenge does not taste sweet Whether yellow, black or white Each and every man's the same inside

It takes every kinda people To make what life's about, yeah It takes every kinda people To make the world go 'round Doo doo doo.....

You know that love's the only goal That could bring a peace to any soul Hey and every man's the same He wants the sunshine in his name

It takes every kinda people To make what life's about, yeah It takes every kinda people To make the world go 'round mmmm, every kinda people To make what life's about
