

# Hyperactive

Robert Palmer

She's got a date for lunch in Singapore,  
Holds stock in I.B.M. and hates Dior.  
She puts up her make-up on at 6.00am  
She goes to work, gets home then puts it on again

And its a mystery how wild that girl can be  
She's got so much energy  
She's such an expert at surprising me  
She's hyperactive when she starts to dance  
And she's so attracted to a wild romance  
And more effective than a stimulant  
She's hyperactive.  
She's hyperactive when she starts to dance  
She never missed a beat or missed a chance  
And I'm persuaded by her argument  
She's hyperactive

The other dancers hyperventilate and start to sweat  
One look at her - I know the nights not over yet  
She says, Where are we going now?  
Her voice is sweet and soft  
I think she lost the key that turns her motor off

And its a mystery how wild that girl can be  
She's got so much energy  
She's such an expert at surprising me  
She's hyperactive when she starts to dance  
She never missed a beat or missed a chance  
And I'm persuaded by her argument.
