Robert Palmer

to see us through  
you and I are enough  
now that we know love's true

Monogamy monogamy monogamy  
monogamy monogamy monogamy

Well you got to have a partner  
well you got to find a partner  
well you got to have a partner

You need to mate for life  
you need to  
you need to mate for life  
you need to
