

River Boat

Robert Palmer

Time dies tryin to fly by
Got a grain of love in my eye
And if I
Tryin to beat each other if they can

But that river boat keeps on chuggin
While we keep on kissin and huggin
We got love, we got love

Big wheels just keep on turnin
And the fires just keep on burnin
Love keeps on gowin
Yeah river just keep on flowin

Time dies tryin to fly by
Got a grain of love in my eye
Opportunity knockin
Big boat keep on rockin
That river boat keep on chuggin chuggin
We just need to keep on kissin and huggin

We got love, we got love, yes we do
Big boat just keep on chuggin
We just keep on kissin and huggin
We got love, yes we do, we got love
Don't you know that river boat it keeps on chuggin
We just need to keep on kissin and huggin
We got love
