

You're Amazing

Robert Palmer

Ain't no doubt about it, you're a masterpiece
You're amazing
Adrift at sea 'til I saw your face
It's amazing

Well it's anybody's guess, now it's guaranteed
Sent to seventh heaven in my hour of need

Baby, baby, baby, you're amazing
Taken by surprise
Don't waste time baby, tryin' to explain it
Can't believe my eyes

You changed my nights from black to blue
It's amazing
Ever since I fell in love with you
You're amazing

So far out of sight that it's like a dream
Beyond all imagining, but I believe

Baby, baby, baby, you're amazing
Take me by surprise
Don't waste time baby, tryin' to explain it
Right before my eyes

Baby, baby, baby, we ain't faking
We're in paradise
Baby doll, I'm not exaggerating

I thought that I could see, but I was blind
I realized now I'm just wasting time

Baby, baby, baby, you're amazing
Taken by surprise
Don't waste time baby, tryin' to explain it
Can't believe my eyes

I used to be weak but you made me strong
So amazing
It's gotta be right 'cause it sure ain't wrong
It's amazing

Baby, you're the difference between day and night
I was in the dark 'til I saw the light, dynamite

Baby, baby, baby, you're amazing
Took me by surprise
Don't waste time, baby tryin' to explain it
Right before my eyes

Baby, baby, baby, we ain't faking
This is paradise
Baby doll, I'm not exaggerating
Girl, you're dynamite

Baby, baby, baby

Baby, you're amazing
Took me by surprise
Baby, you know how to drive me crazy

Made me realize
Why waste time baby tryin' to explain it
This is paradise
Baby, baby, baby, you're amazing
