

# One Way Love

Robin Gibb

Handing my heart  
All of my life has been emptiness  
I was alone  
All that I needed was tenderness  
Lovers come and go  
You know you're the one I've been looking for

I was alone  
You came along and changed everything  
You gave me your lies  
I would've given you anything  
Anything in this world  
But I'd be a fool to let it go

Just look in my eyes  
And let me be  
Tell me no lies  
Don't wanna walk away of love  
Don't wanna walk away of love  
I'm just a genuine man  
But baby would you give me a chance  
Don't tell me no, no, no  
No, no, no

One way love got enough  
One way love to be tough  
One way love is enough for me  
Me, oh, yeah

I want it  
One way love

All of my life  
There was a feeling of destiny  
But you were the one  
Who brought me abroad at the destiny  
But no one want really right  
It's not what I'm looking for

Just look in my eyes  
And let me be  
Tell me no lies  
Don't wanna walk away of love  
Don't wanna walk away of love  
I'm just a genuine man  
But baby would you give me a chance  
Don't tell me no, no, no  
No, no, no

One way love got enough  
One way love to be tough  
One way love is enough for me  
Me, oh, yeah

I want it  
One way love
