

Sydney

Robin Gibb

All those dreams fall to the ground
Call your name you're not around
The battle's won now
The price was high
And your still here by my side

Come back here Sydney
Brothers are with me
Brothers and I
Close my eyes
Come back here Sydney
Brothers are with me
Do it or die

All those dreams fall to the ground
Call your name your not around
The battle's won now
The price was high
I close my eyes

Come back here Sydney
Brothers are with me
Brothers and I
Close my eyes
Come back here Sydney
Brothers are with me
Do it or die

I close my eyes

Come back here Sydney
Brothers are with me
Brothers and I
Close my eyes
Come back here Sydney
Brothers are with me
Do it or die
