## You Brought A New Kind Of Love

## **Robin McKelle**

If the nightingales could sing like you They'd sing much sweeter than they do For you brought a new kind of love to me

And if the sandman brought me dreams of you I'd want to sleep my whole life through You brought a new love to me

I know that I'm the slave, you're the queen Still you can understand that underneath it all You're a maid and I am only a man

I would work and slave the whole day through If I could hurry home to you You brought a new kind of love to me

I'm hit that I'm the slave, you're the queen Still you might understand that underneath it all You're a maid and I am only a man

I would work and slave the whole day through If I could hurry home to you You brought a new kind of love to me
