

# Better with You

Robin Schulz

Oh, oh

Overly cautious, seems all of my problems  
Are magnified when you're in the room  
Intoxicated, no way of escaping  
This feeling I get when I'm with you

Straight through the middle  
Blade in my heart, you're so sharp  
On the edge, I am too  
I feel it hurt just a little  
Searching for higher ground  
'Cause I'm better with you

We're so much the same, and almost different  
You push, I pull, it's making us strong  
Who is to blame if all of our mistakes leave us  
Standing on the right side of wrong?

Straight through the middle  
Blade in my heart, you're so sharp  
On the edge, I am too  
I feel it hurt just a little  
Searching for higher ground  
'Cause I'm better with you  
Better with you

Better with you  
Better with you  
Ooh, ooh  
Ooh-ooh-ooh-ooh  
Oh-oh-oh-oh  
Ooh, ooh  
Ooh-ooh-ooh-ooh  
Oh-oh-oh-oh

When all that is left is to shut down my senses  
It's like you know just what to do  
In a moment of darkness, might walk out defensive  
But I'm right back 'cause I know it's true  
I'm better with you

I'm better with you  
Ooh-ooh-ooh-ooh  
I'm better with you  
Ooh, ooh  
I know I'm better  
I know I'm better  
Oh-oh-oh-oh  
I know I'm better  
Ooh, ooh  
I know I'm better with you  
I know I'm better  
I know I'm better  
Ooh-ooh-ooh-ooh  
I know I'm better  
Oh-oh-oh-oh

I know I'm better  
I know I'm better  
I know I'm better
